William E. McDonald, III *Member*

William ("Bill") McDonald, III focuses his practice on commercial, financial, and product liability litigation. Bill achieved a total defense jury-verdict in a product liability trial as lead counsel for a major automotive manufacturer involving claimed damages over \$100M, and has second chaired an arbitration to a successful award of over \$3M.

Beyond the courtroom, Bill provides strategic counsel to clients navigating the regulatory landscape, including matters involving the Federal Trade Commission, the National Highway Traffic Safety Administration, the Consumer Product Safety Commission, and the Department of Justice. With extensive experience in large-scale discovery in complex product liability and class action cases across the country and winning total dismissals for three product manufacturers in Michigan state and federal courts, Bill is a seasoned litigator with a proven track record.

Representative Matters

- As lead counsel obtained a full defense verdict in South Bend, Indiana on multiple automotive product liability claims including defective and unreasonably dangerous design, failure to warn, and failure to instruct and a punitive damage claim against a major automotive OEM.
- Secured complete dismissal without payment in automotive product liability suit against major automotive OEM involving three fatalities in Michigan State Court.
- Currently serving as lead national air bag coordinating counsel for a major OEM.
- Lead responsibility for coordination of discovery and depositions, including company witnesses, experts and 30(b)(6) depositions, in the Takata MDL for a major OEM.
- Prepared discovery and dispositive motions in the Takata MDL for a major OEM.
