CONSTRUCTION LITIGATION & COUNSELING OVERVIEW

BSP Law's Construction Litigation and Counseling team, led by Moheeb Murray, helps clients through all aspects of the litigation process and counsels clients on how to best handle matters. This enables the BSP Law team to deliver favorable results, cost-effectively, to the firm's construction-industry clients.

BSP Law advises clients on a broad range of issues that arise at every stage of a construction project, from assessing of construction agreements and insurance-coverage issues to the resolution of complex construction disputes. BSP Law prioritizes staying up-to-date on local and nationwide trends through active involvement in industry organizations, including the American Bar Association's Construction Industry Forum and the Defense Research Institute's Construction Law Committee.

BSP LAW HANDLES MATTERS NATIONWIDE

SELECTED CONSTRUCTION LITIGATION RESULTS

- Defended developers in multiple class and mass actions alleging defective plumbing systems in tens of thousands of homes in Arizona, California, Nevada and Texas, obtaining recoveries totaling more than \$75 million from manufacturers of plumbing components and various insurance carriers.
- In a putative statewide class action in the Middle District of Florida, obtained published decision dismissing tort claims, dismissal of \$2 billion punitive damages claim, *Daubert* rulings striking liability and damages experts, and denial of class certification.
- Obtained rescission of \$17.4 million real estate development project agreement based on developer's fraud concealing non-payment of earnest-money deposit.
- Represented national vehicle-rental company in successfully resolving lien claim in connection with expansion of a rental location.
- Negotiated favorable settlement for manufacturer on claims of construction defects at its test facility.
- Represent municipality in multi-pronged litigation regarding design and maintenance claims of sewer system.
