

## Heather C. Gin *Associate*

Heather C. Gin focuses her practice on product liability and commercial litigation. She has extensive litigation experience in e-discovery management, advanced technologies, and catastrophic cases involving product liability. A leader within the firm, Heather oversees the mentorship programs for summer associates and law clerks at BSP Law. Heather also heads the firm's law student recruitment efforts by conducting outreach and visiting local law schools to share insights about BSP Law.

### For the Community

During law school, Heather served as the Student Bar Association President. She was also a volunteer and the Director of Outreach for the Maurer Protective Order Project, where she conducted intakes of clients seeking protective orders. She also served as a student coordinator for the Indiana University Wills and Advanced Directives Program, where she drafted wills and other advanced directives from start to finish for low-income university-affiliated clients.

At the University of Michigan, Heather served as the Panhellenic President overseeing the operations of 17 sororities on campus with a focus on diversity, equity, and inclusion initiatives. She has experience with community outreach having worked with multiple political campaigns and offices in Southeast Michigan.

## **Heather C. Gin** *Associate (cont.)*

In her free time, she enjoys teaching children competitive and recreational dance at a studio in Rochester, Michigan.

### **Prior Experience**

Prior to joining BSP Law, Heather served as an associate at a regional Michigan law firm. During law school, she served as a summer associate law clerk for a Northern Michigan law firm, and as a legal intern for the Grand Rapids City Attorney's Office.

Heather received her J.D. from the Indiana University Maurer School of Law in 2022. She received her B.A. in political science and international studies from the University of Michigan in 2018.
