Andrew M. Mast *Partner*

Andrew M. Mast focuses on product liability and complex discovery matters. His has a proven record of innovation in e-discovery, as well as in litigating the biggest automotive product liability and class action matters.

Representative Matters

- Created and directed successful e-discovery strategies and methods in multiple national class actions, involving the some of the largest product safety recalls in history.
- Obtained a favorable regulatory decision for a Fortune 500 company following a formal inquiry by a federal agency.
- Secured a key ruling in favor of an automotive manufacturer on critical trade secret issues.
- Obtained a favorable settlement in high-exposure automotive product liability case involving claims of traumatic brain injury.
- Successfully defended an electric vehicle manufacturer against a supplier's breach of requirements contract claims.
- Defeated class action certification in suit against a national analytics firm, while managing complex e-discovery.
